

# How does the CleanAide.com affiliate program works?

This program is well administered, safe and will provide you with a solid stream of revenue when you can drive customers to our site and they buy cleanaide products.

### **How do I link my site to the CleanAide site?**

To set up your affiliate link, use any page with a .asp extension, for instance:

**<http://www.cleanaide.com/products.asp?PARTNER=PartnerID>**

Just replace **PartnerID** with the PartnerID you established at signup

### **How do I check how much sales were generated through my link?**

Connect to your affiliate account using the following link:

<http://www.cleanaide.com/affiliate.asp>

Please note that the totals shown are only provisional. Commission will only be paid on cleared funds, and sometimes sales are "charged back". The totals are for sales generated, not commission due.
